Supervision

The staff at The Adventure Zone can be recognised by their blue staff shirts. They are here to supervise the use of the play equipment and to see that the children enjoy themselves. Whilst happy to be of assistance they are not child minders and the accompanying adult is responsible for children in their care at all times.

Security

At The Adventure Zone, security of your children plays an important part. As well as the vigilant staff, we have electronic gates and all emergency exits are alarmed giving the parents that extra piece of mind.

First Aid

Staff at The Adventure Zone are trained First Aiders, if your child receives an injury no matter how minor please report it to a member of staff.
